

# White Teak Shutters

**Our White Teak timber shutters are lightweight, naturally light in colour, light on the environment and have light-touch functionality. Perfect to highlight, complement and enhance any interior style.**

## ECO-FRIENDLY

Our White Teak Shutters are manufactured from responsibly harvested timber.

Dimensionally stable making it perfect for the manufacture of shutters.

## QUALITY IN THE MAKING

Manufactured and installed to best practice European and American quality standards.

Overlapping rabbet stiles for improved light block-out and privacy.

Reinforced engineered stiles with laminated timber core for high level of durability and structural integrity.

Mortise and tenon joints to withstand shear stress and twisting forces.

## NATURAL BEAUTY

Naturally resistant to wood-boring beetles.

## THE PERFECT RAW MATERIAL FOR PERFECT SHUTTERS

Patented wood drying technique that emulates the environmental condition of installation location to reduce shrinking and swelling.

Quarter sawn louvres, for higher dimensional stability to resist cupping, twisting and warping.

Meticulous assembly process that includes five separate hand sandings and five coats of your ideal paint or stain colour.

## SMOOTH OPERATION
